Reviews: * Impressive fuel economy; pleasant ride; roomy third-row seat; clever interior storage features. Source: Edmunds * If you need a vehicle that provides 8-passenger capacity but are dead set against driving a minivan, the 2012 Honda Pilot makes an excellent alternative. Strong, safe and easy to drive, the Pilot SUV can tackle jobs no minivan would dare; and with 4WD, snow days for the kids are a thing of the past. Source: KBB.com
