Reviews: * Comfortable ride; roomy third-row seat; above-average fuel economy, useful interior storage areas. Source: Edmunds * If you need a fuel-efficient vehicle with room for eight passengers, but refuse to get behind the wheel of a minivan, the 2013 Honda Pilot is the right choice. It doesn't take an engineering degree to operate the interior controls and Honda's solid reputation for quality and reliability provides an extra measure of peace of mind. Source: KBB.com
