Reviews: * Lots of room for passengers and cargo; high fuel economy; user-friendly controls; ample tech and family-friendly features; top crash test scores. Source: Edmunds * If you're looking for simple, dependable transportation in a vehicle that can handle snow and mud as efficiently as it does a day of cruising yard sales, the 2013 Honda CR-V is an excellent choice. Need more reasons? There's good fuel economy, a reasonable price and lots of standard equipment. Source: KBB.com
