Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.Reviews: * Fuel economy and a flexible floor plan are this Honda's hallmarks. Those who like their small cars big on the inside will find the Fit a good fit. Adult-sized room front and rear plus cargo space is rare in a subcompact. Rare, too, are trips to the gas station in the Fit, with an EPA estimated 33 miles per gallon in the city, and 38 on the highway. Source: KBB.com
